

2019 NOMINEE BIOSKETCH FORM

NAME	Lehana Thabane
PRESENT POSITION	Professor of Biostatistics and Associate Chair of the Department of Health Research Methods, Evidence, and Impact; Associate member of the Departments of Pediatrics and Anesthesia in the Faculty of Health Sciences (FHS) at McMaster University (Hamilton, Ontario, Canada); Director of Biostatistics at St Joseph's Healthcare—Hamilton (Ontario, Canada)
DEGREES	MSc, PhD
MAIN RESEARCH INTERESTS	<ul style="list-style-type: none"> i) Research Topics: Clinical Trials; Pilot and Feasibility Studies; Reporting of Trials; Systematic Review Methodology; Mentorship. ii) Editorial experience: Co-Editor-in-Chief, <i>Pilot and Feasibility Studies</i>; Editorial board member for <i>Trials</i>, and <i>Clinical Trials</i> iii) Professional society membership: ISCB, ISI (elected member), ASA, SSC, SCT iv) Professional leadership: Current Chair, SCT Nominating Committee; former President/Treasurer, SSC (Biostatistics Section)
SELECTED PUBLICATIONS IN CLINICAL BIostatISTICS (LIMIT TO 5)	<p>I have co-authored over 600 publications in peer-reviewed journals with over 700 presentations (with over 100 as invited presentations) at national and international meetings. Some selected publications related to my research in pilot and feasibility studies include</p> <ol style="list-style-type: none"> 1. Thabane L, Hopewell S, Lancaster GA, Bond CM, Coleman CL, Campbell MJ, Eldridge SM. Methods and processes for development of a CONSORT extension for reporting pilot randomized controlled trials. <i>Pilot Feasibility Studies</i> 2016 May 20;2:25. 2. Eldridge SM, Chan CL, Campbell MJ, Bond CM, Hopewell S, Thabane L, Lancaster GA; PAFS consensus group. CONSORT 2010 statement: extension to randomised pilot and feasibility trials. <i>BMJ</i> 2016 Oct 24;355:i5239. 3. Thabane L et al. Reducing the confusion and controversies around pragmatic trials: using the Cardiovascular Health Awareness Program (CHAP) trial as an illustrative example. <i>Trials</i> 2015 Sep 2;16:387.
PAST AND CURRENT PARTICIPATION IN ISCB ACTIVITIES	<ol style="list-style-type: none"> 1) Member of the Organizing Committee for the ISCB 2008 held on July 19-23, 2008, Ottawa, Canada 2) Regular presenter at ISCB since joining the Society in 2005 as a regular member
GOALS AND VISION FOR THE ISCB	<p>My primary goals for joining the ISCB board is to find ways to revitalize ISCB in three areas:</p> <ul style="list-style-type: none"> i) the <u>diversity of the programming for the ISCB annual meeting to attract more non-academic folks</u> who work in clinical research institutes to consider joining the society; ii) I am also interested in helping <u>to establish a mentorship program</u> with a full registry of potential mentors willing to support young clinical researchers around the globe; and iii) I am committed to improving the <u>design, conduct and reporting of pilot and feasibility studies</u>—an area where I think ISCB can provide global leadership.
